INDIANA BULLETIN NO. IN210-3-3

SUBJECT: ENG – ENGINEERING STANDARD DRAWINGS IN-ENG-65 AND IN-ENG-66

Purpose: To transmit the new Indiana Standard Drawings.

Expiration Date: September 30, 2003

Attached are the new Indiana Engineering Standard Drawings, IN-ENG-65 and IN-ENG-66. Form IN-ENG-65 is the Grassed Waterway Erosion Control Blanket (ECB) Installation Report and is to be filed in the "Indiana Engineering Standard Drawings" binder in each field office. Form IN-ENG-66 is the Grassed Waterway Landowner's Seeding Agreement and is also to be filed in the "Indiana Engineering Standard Drawings" binder in each field office.

Please make pen and ink changes to the index of drawings in the front of the binder.

Questions concerning these forms should be directed to your field engineer.
